PIB explainer: Incentive Scheme for Domestic PNG Connections, 1.74 crore connections, 309 Geographical Areas

13 September 2026 | Press Information Bureau

PIB's explainer said PNGRB has authorised City Gas Distribution entities in 309 Geographical Areas, spanning the entire mainland, and that there were 1.74 crore domestic PNG connections as of 18 August 2026. The Incentive Scheme for Promotion of Domestic PNG Connections was launched on 18 August 2026 and came into effect from 1 September 2026.

The scheme rewards CGD entities for converting unbilled connections into active billed ones: for each incremental billed domestic connection beyond a minimum threshold for the Geographical Area, an entity earns an additional allocation of 200 SCM of domestic APM gas, replacing costlier LNG used in the CNG (Transport) segment. The payback period on a domestic connection is expected to fall from about ten years to nearly three years.

Key facts

Geographical Areas authorised: 309

Domestic PNG connections (18 Aug 2026): 1.74 crore
